

EDUCATION

University of Southampton

September 2023 – June 2026

LLB Law

- Predicted grade: First Class
- Key Modules: Contract Law, Commercial and Consumer Law, Introduction to Commercial Law, Company Law

WORK EXPERIENCE

Wall Street Oasis

August 2025 – Present

Finance Research Analyst

- Wrote 10,000+ words across 5 articles on detailed financial valuation, accounting, and economic topics, including scenario analysis, cash flow statement, and DCF modelling.
- Completed ~100 hours of self-study across management consulting, investment analysis, corporate restructuring, and financial modelling and valuation courses, including Excel modelling, PPT for finance and DCF modelling.

J.P. Morgan

June 2025 – August 2025

Corporate Analyst Summer Intern

- Projected a ~20% reduction in incident recurrence by analysing 3+ years of data across 1,000 incidents and delivering actionable recommendations via interactive Tableau dashboards.
- Shortened onboarding and knowledge transfer time by ~50% by creating a RED training skeleton and a single source of truth for new analysts and team members.
- Cut processing time by ~80% and eliminated manual errors by using Alteryx to automate the transaction record system for the EMEA Corporate Actions team.
- Improved root-cause visibility for incident reports by standardising data structures, enabling consistent trend analysis.

Bastion Financial Planning Ltd

July 2024 – September 2024

Summer Intern

- Enabled accurate, timely reviews for 50+ clients by gathering, validating and organising portfolio data for adviser packs.
- Strengthened diversification and risk guidance by researching investment products/pensions, and producing 15+ concise comparison notes to support adviser recommendations.
- Cut meeting prep time by ~30% by templating agendas and mail-merge packs; improved meeting flow by preparing client materials in advance, contributing to smoother client interactions.
- Reduced admin errors by ~50% by redesigning and streamlining client data-entry processes and record-keeping.

LEADERSHIP

Southampton Law School Football Team

April 2024 – Present

Captain

- Grew squad and bolstered participation by recruiting 10+ new players and organising weekly fixtures and training.
- Cut last-minute dropouts by ~10% by introducing weekly availability polls and a 24-hour confirmation rule.

Reading Blue Coat School

September 2022 – June 2023

Academic Ambassador

- Raised average grades by 40% for a cohort of 8 students over two terms by designing and running weekly study workshops and targeted 1:1 support.
